### [Antenna hidden In holiday lights skirts HOA rules](#)

For this build, a long wire is hidden along with a strand of otherwise plain-looking lights.

[Hackaday](#)

### [Each Bouvet Island QSL cost \\$38](#)

One of the biggest and most expensive expeditions in recent times was the 3Y0J activation on Bouvet Island.

[EI7GL](#)

### [We're missing the STEM boat](#)

This is more than an Amateur Radio club can handle.

[KB6NU](#)

### [Former FEMA leaders continue push for AM preservation](#)

Removal of AM radios from cars is "a grave threat to future local, state and federal disaster response and relief efforts"

[Radio World](#)

### [First EME QSO](#)

Make an EME QSO on 70cm using LEO sat equipment.

[Notizbl0g](#)

### [Atsena Otie Key FL: The island, the pile-ups, the video](#)

The antenna was on (and then, in!) the water.

[AE5X](#)

### [TikTok Hams: RadioPrep](#)

Husband, dad, Ham Radio user + GMRS and emergency communications enthusiast.

[TikTok](#)

### [Inside the world of Australia's high-altitude balloonists](#)

And why they're not afraid of a missile.

[The Guardian](#)

### [What in Heaven's name is a Rybakov Antenna?](#)

I was determined to learn more so I built one.

## Video

### Portable digipeater build with a Pi Zero

Let's build a portable APRS digipeater using a Pi Zero and Digirig soundcard.

[KM4ACK](#)

### Ham Radio over light wave

Modulated light communications.
